Group Covered

B. Optional Coverage Other Than the Medically Needy (Continued)

1902 (a) (10) (A)

(ii) (XVIII) of the Act X 20. Women who:

- a. have been screened for breast or cervical cancer under the Centers for Disease Control and Prevention Breast and Cervical Cancer Early Detection Program established under title XV of the Public Health Service Act in accordance with the requirements of section 1504 of that Act and need treatment for breast or cervical cancer, including a pre-cancerous condition of the breast or cervix;
- b. are not otherwise covered under creditable coverage, as defined in section 2701 (c) of the Public Health Service Act;
- c. are not eligible for Medicaid under any mandatory categorically needy eligibility group; and
- d. have not attained age 65.

1920B of the Act

21. Women who are determined by a "qualified entity" (as defined in 1920B (b)) based on preliminary information, to be a woman described in 1902 (aa) of the Act related to certain breast and cervical cancer patients.

The presumptive period begins on the day that the determination is made. The period ends on the date that the State makes a determination with respect to the woman's eligibility for Medicaid, or if the woman does not apply for Medicaid (or a Medicaid application was not made on her behalf) by the last day of the month following the month in which the determination of presumptive eligibility was made, the presumptive period ends on that last day.
